

Reactivate

Making it easier to move and work/recruit European citizens aged 35+

www.reactivatejob.eu

Reactivate is an intra-EU job mobility scheme for jobseekers over 35 years of age. It **helps EU citizens find work, apprenticeships or traineeships in another EU Member State** and it **assists employers to recruit people throughout the EU**.

Reactivate will in particular develop a **virtual job centre**, offering a **set of services for employers and jobseekers** to support them through all the steps of **European recruitment** procedures.

Who can Reactivate?

- ✓ All **employers** legally established in EU countries offering job/apprenticeship/traineeship contracts of at least 6 months' duration, provided that pay and conditions comply with national labour law.
- ✓ **EU28 citizens** and legally resident in one of the EU28 countries, looking for a job in another EU country.

What support is available?

Support to employers:

- ✓ Recruitment support: a dedicated Reactivate adviser will ensure to each employer tailored and personal support and services;
- ✓ Vacancy management: easy job/apprenticeships/traineeships posting and management in a user-friendly and flexible online platform;
- ✓ Recruitment and placement of pre-screened candidates: Reactivate advisers assist employers in identifying their needs and then search for suitable candidates on the basis of the individualized requirements. Reactivate also offers support with on-the-job training development plans;
- ✓ Training incentives: financial incentives for SMEs to offset the costs of providing on-the-job training to promote the integration of newly hired workers;
- ✓ Workplace support: Reactivate provides on-going support in the workplace by monitoring job placements with the participant and the employer.

Support to jobseekers:

- ✓ Career counselling and orientation, support in applications preparation, career path development;
- ✓ Skill and career development: access to training resources, skill assessment, information on jobs and employers and career services;
- ✓ Access to workplace: access to vacancies listing at European level, registration to career days, participation in pre-selections thanks to Reactivate job-matching tool, arrangement of interviews;
- ✓ Financial incentives for interview, relocation (of the candidate and the members of her/his family), language training, recognition of qualification.

How can you take part?

In order to participate in Reactivate, you must **register on the [Reactivate website](http://www.reactivatejob.eu)**.

If you are an **employer** you will be contacted by our staff who will support you in the definition of your vacancies and offer recruitment and matching services.

If you are a **jobseeker**, first check if we have job/apprenticeship/traineeship vacancies suitable for your profile. If yes, register on the portal and fill in your CV in English.
