

Your first EURES Job Yfej 5.0 Targeted mobility scheme

What is Your first EURES job 5.0?

Your first EURES job is a European Union job mobility scheme aiming to **help young Europeans find a job or work-based training opportunity in another Member State, Norway or Iceland** and to **help employers find qualified young workers** within a larger territory.

Under this scheme, **national employment services** and the **EURES Network** provide customised and multi and cross channelling integrated and effective job mobility services, designed to respond to the individual needs of youth facing barriers to employment and job mobility and of employers facing barriers to fill in bottleneck vacancies and/or hiring abroad: information, recruitment, matching, placement and funding, will deliver client-centred.

The initiative is co-funded by the European Union, and is based on the **collaboration among EURES National Coordination Office and private organizations of nine member states** (Bulgaria, Croatia, Cyprus, Germany, Greece, Italy, Portugal, Romania, Spain and United Kingdom) together with the Città Metropolitana di Roma Capitale, University of Rome "La Sapienza", and a large number of associated partners, such as Eurodesk Network, ETUC – European Trade Union Confederation and Italian Union of Chambers of Commerce and the **Employment Agency of Trento**.

Who qualifies for support?

EU, Norway and Iceland citizens aged between 18 and 35 and living in any EU country, Norway or Iceland.

All **employers** legally established in EU countries, Norway or Iceland offering contracts of at least 6 months' duration (3 for traineeships), provided that pay and conditions comply with national labour law.

What support is available?

For young people

The scheme provides **language courses** or other forms of **training**. It also covers **travel expenses** for young people applying for jobs or work-based training (traineeship), enabling them to attend job interviews and settle in other EU countries to take up employment.

The mobility package includes other support measures for young people, such as supplementary relocation allowance, allowance for trainees and support to recognition of qualification.

For employers

Companies with up to 250 employees (PMEs) can apply for financial support towards the cost of training newly-recruited workers, trainees or apprentices and helping them settle in.
